Revision of Precautions

Sterile talc

March 20, 2018

Non-proprietary name

Sterile talc

Safety measure

Precautions should be revised in the package insert.

In the Clinically Significant Adverse Reactions subsection of the Adverse Reactions section, the following language should be added (revised language is underlined):

Shock, anaphylaxis:

Shock or anaphylaxis may occur. Patients should be carefully monitored. If any abnormalities are observed, administration of this drug should be discontinued and appropriate measures should be taken.

*This drug is designated as a drug requiring preparation of a Drug Guide for Patients.
