

腕帯比較表

※腕帯清掃時に使用できる薬液が異なりますので、ご使用の腕帯に対応した添付文書をご確認ください。

	腕帯変更前	腕帯変更後
腕帯	 The image shows the old Terumo Elemano2 M blood pressure cuff. It is a dark blue fabric cuff with a white label on the left side. The label contains the text "TERUMO", "Elemano2", "22-32cm", "REF: ES41M", and a large "M" in a black box. On the right side of the cuff, there is a white line drawing of a person's arm with the cuff wrapped around it. Below the drawing, it says "Artery" and "2-3cm".	 The image shows the new Terumo Elemano2 M blood pressure cuff. It is a dark blue fabric cuff with a white label in the center. The label contains the text "TERUMO", "Elemano2", "22-32cm", "M" in a white box, "REF: ES41M", and "Not made with natural rubber latex." On the right side of the cuff, there is a white line drawing of a person's arm with the cuff wrapped around it. Below the drawing, it says "Artery" and "2-3cm".
