

Revision of Precautions

Treprostinil

May 30, 2017

Non-proprietary name

Treprostinil

Safety measure

Precautions should be revised in the package insert.

In the Clinically Significant Adverse Reactions subsection of the Adverse Reactions section, the following text should be added (underlined parts are revised):

Hyperthyroidism:

Hyperthyroidism may occur. Patients should be carefully monitored through a thyroid function test, etc. as necessary. If any abnormalities are observed, appropriate measures should be taken.
