Revision of Precautions Corticoreslin (human)

September 13, 2016

Non-proprietary name

Corticoreslin (human)

Safety measure

Precautions should be revised in the package insert.

In the Clinically significant adverse reaction subsection of the Adverse reaction section, the following text should be added (underlined parts are revised):

Shock and anaphylaxis:

Shock and anaphylaxis may occur. Patients should be carefully monitored. If any abnormalities such as decreased blood pressure, angioedema, dyspnea, cough, and flushed skin are observed, appropriate measures should be adopted.
