Revision of Precautions Peramivir hydrate

October 18, 2016

Non-proprietary name

Peramivir hydrate

Safety measure

Precautions should be revised in the package insert.

In the Clinically Significant Adverse Reactions subsection of the Adverse Reactions section, the following text should be added (underlined parts are revised):

Acute renal failure

Acute renal failure may occur. Patients should be carefully monitored. If any abnormalities are observed, administration of this drug should be discontinued and appropriate measures should be adopted.
