# Revision of Precautions

## Ampicillin sodium

September 18, 2018

### **Non-proprietary name**

Ampicillin sodium

### **Safety measure**

Precautions should be revised in the package insert.

The language concerning toxic epidermal necrolysis and oculomucocutaneous syndrome in the Clinically Significant Adverse Reactions subsection of the Adverse Reactions section should be revised as follows (revised language is underlined):

Toxic epidermal necrolysis (TEN), oculomucocutaneous syndrome (Stevens-Johnson syndrome), or acute generalized exanthematous pustulosis:

Toxic epidermal necrolysis, oculomucocutaneous syndrome, or acute generalized exanthematous pustulosis may occur. If such symptoms are observed, administration of this drug should be discontinued and appropriate measures should be taken.
