Revision of Precautions

Secukinumab (genetical recombination)

October 23, 2018

Non-proprietary name

Secukinumab (genetical recombination)

Safety measure

Precautions should be revised in the package insert.

The language in the Careful Administration section concerning patients with active Crohn's disease should be revised as follows (revised language is underlined):

Patients with inflammatory bowel disease

The following language should be added to the Clinically Significant Adverse Reactions subsection of the Adverse Reactions section (revised language is underlined):

Inflammatory bowel disease:

Inflammatory bowel disease may occur. Patients should be carefully monitored, and if inflammatory bowel disease is suspected, appropriate measures should be taken.
