Revision of Precautions

Calcitriol (injectable dosage form)

November 27, 2018

Non-proprietary name

Calcitriol (injectable dosage form)

Safety measure

Precautions should be revised in the package insert.

The following language should be added to the Clinically Significant Adverse Reactions subsection of the Adverse Reactions section (revised language is underlined):

Shock, anaphylaxis:

Shock or anaphylaxis may occur. Patients should be carefully monitored. If any abnormalities such as decreased blood pressure, dyspnea, or flushing are observed, administration of this drug should be discontinued and appropriate measures should be taken.
